Pallet Products

Two Way Pallet

With the endorsement of our qualified professionals of manufacturing unit, we are engaged in offering a wide gamut of Two Way Wooden Pallets. These wooden pallets are broadly used for the packaging and other applications in various Packers industries. The offered variety is demanded all over the country among our valuable clients. In addition to this, our products have various customized options to meet the international norms.

Four Way Pallet

Owing to the sound manufacturing facilities, we have been able to design, develop and offer an assortment of 4 Way Pallets. These are made using the best quality raw material, which is sourced from certified vendors of the market. Moreover, these pallets are extensively used in fitting racks and in buildings. The offered pallets can be easily lifted from four corners by using forklift and hand jack. Further, these pallets are widely appreciated among the clients for their easy handling, high load-bearing capacity and excellent strength.

Euro Pallet

We are instrumental in offering a wide range of Euro Pallets to the customers. These pallets are made as per the requirements of the clients by a team of our experts. Manufactured using well-tested and per-treated wood, Euro Pallets are ideal for packaging purposes.

CP Pallet

We are highly acclaimed in this industry for providing an optimum quality range of CP Pallet.

ISPM 15

International Plant Protection Convention (IPPC) is an international body aiming to prevent the spread and introduction of pests of plants and plant products.

The ISPM 15 standard is awarded by IPPC. It requires wood packaging to be heat treated or fumigated to kill insects or fungus prior to export.

HEAT Treatment

Heat treatment helps to eliminate the excess moisture presence with an objective of drying the wood at 56°C for minimum 30 minutes in wood core. This process is approved by 156 countries all around the globe.

Benefits

- ISPM-15 protects timber against primary decay, fungal stain and attack by certain kinds of insects
- ISPM-15 timber is lighter and stronger
- ISPM-15 enables substantial long-term economy of wood.
